RE: Letter of Acknowledgement UPD002 Communications and Innovative Networks for a Fiber Project within Ward 36 City Of Ekurhuleni Wychwood and Malvern East Areas

To Whom It May Concern

Dear Sir/Madam

This letter serves to conform that I, the Ward councillor for Ward 36 in the City Of Ekurhuleni, am aware of the UPD002 Communications, and Innovative Networks, Fibre Network Operator (FNO) Fibre Deployment Project within the Wychwood and Malvern East area from March 2025 to July of the same year

The initiative is welcomed, and I have no objection, as long as all the Municipal By-Laws are adhered to and the necessary Way-leave applications are approved.

Sincerest Regards,

~~WMORGAN~~ (signed Electronically)

Cllr Wendy Morgan

Ward 36 Ward Councillor
